# Foundation Art Collection

The Hudson County Community College Foundation Art Collection of 1,750+ works is installed in the public areas of ten campus buildings. The entire College is an educational art museum. This Collection reveals aspects of America's and New Jersey's rich artistic and cultural history from the Hudson River School period to today. In recent years, the College's acquisition efforts have focused on strengthening its American and New Jersey modern and contemporary collections.

Each month, this page in *HCCC* provides updates on artists whose work are in the Collection, and new additions to the Collection.
